CASEY M'DANNEL IS PROSPEROUS IN ALASKA CITY

J. Casey M'Dannel, pioneer of Tonopah, but who of late years has been making his headquarters at Anchorage, Alaska, writes the editor of The Bonanza under date of October 22 that things are booming in Alaska. Casey was the man who built the Merchants hotel in Tonopah and the Casey hotel at Goldfield, and is widely known throughout southern Nevada by reason of his activities in the boom mining camps of past years. He says that Fred Hoff, formerly of Goldfield, is now assistant manager of the dining car department, A. E. C. T. S. railroad in Alaska, of which Casey himself serves as manager.

"I think that Alaska will boom for the next few years," writes Casey. "We have a Republican president, and with him, Secretary A. B. Fall and Governor Scott C. Bone, we should be able to get some in Alaska."

Casey says he expects to establish a string of hotels in the Mount McKinley national park as soon as the government builds the needed roads. "Alaska has them all skinned," he continues. "We should have thousands of tourists and investors coming into Alaska. Ex-Governor Joseph H. Hutchinson and party from New York just left here on their way back to New York. We expect Mr. Hutchinson back in the spring. He has a property here that if it were located in Nevada, would cause a Tonopah and Goldfield boom."

Casey sends his regards to all former friends and acquaintances in closing his letter.

REQUIEM MASS OVER REMAINS MRS. CLIFFORD

Hundreds of friends assembled at the Catholic church at 10 o'clock this morning to pay silent tribute to the memory of Mrs. Grace Jackson, wife of Fred Jackson, well-known rancher of Stone Cabin, and long sympathizer with the bereaved husband and motherless children, as well as to the brothers and sisters, in their hour of sorrow. The mass was solemnly carried beneath a mission of St. Francis, which many told of the scenes in which the deceased had been held by her friends and in the last resting place of the deceased. Mrs. Grace Jackson was a native of Nevada county, having been born in Belmont.

Solemn high requiem mass was celebrated by Rev. Father Neenan, pastor of the Catholic church, at its most beautiful service. The deceased was a native of Nevada county, having been born in Belmont. STATE MINING MEN OPPOSE NEW MEASURE

Recommendations that the extra lateral right features of the present mining laws be abrogated and that the size of claims be increased to a square of 40 acres was made by the Nevada Mine Operators' association at its last meeting at Reno, and will be forwarded to Senators Pittman and Odell and Congressmen Arenz by Secretary Henry M. Rives within the next few days. The association reached this decision after giving the mining bill, which proposed to revise the general mining laws of the country, consideration for several weeks. In conformity with the request of Congressmen Arenz, the association members analyzed the bill section by section and compiled a long report on the measure with the general conclusion as stated.

The mining bill is now in the hands of the Senate and will be reported out some time in January, according to present plans; but nothing definite in this respect has been stated for several weeks.

The recommendations of the Nevada Mine Operators' association in a general way to recommendations made by other Nevada organizations and individuals that have reviewed the bill.
